

EXHIBIT PHOTOGRAPHY SERVICES

The revolutionary **iLite Camera** is a tablet based camera system designed to provide fun photo entertainment at your event. The iLite photos feature a custom branded border on every shot. Photographers capture guests experiencing your event, and photos are immediately sent by email or can be shared to a company Facebook page. The quick turnaround allows for guests to share their photos on social media or to friends.

You also have the option of printing iLite photos at your event, allowing attendees to take home a branded gift in a quality folder. Share your company's brand both online and in print!

Another fun, interactive way to share event photos is by featuring the fresh, new PhotoShare Kiosk system. The **PhotoShare Kiosk** can be set up independently at your registration desk, in a cyber café, or anywhere with attendee traffic. You can utilize the PhotoShare Kiosk as a Headshot Station, Red Carpet Paparazzi, Step & Repeat Photobooth, Greenscreen Activation and much more.

Through our cutting edge software, attendees can view and share event photos by email, Facebook, Twitter, or Pinterest. Due to the extent of our branding possibilities this is a great way to sponsor an event and showcase your brand. E-mail subject lines and signatures can be customized for your event, and our Kiosk can provide post event analytics including the popularity of each feature!

A popular use of the Kiosk is to pair it with a green screen station or print package. Attendees can share fun event photos on a custom background, and can walk away with your brand fresh in their minds thanks to a printed photo.

Green screen stations are popular with conference attendees, bringing attention to your company. You can add a logo or custom text to the custom green screen background. Let our graphics team create the perfect background, giving attendees a lasting impression of your brand with a printed photo!

In addition to the iLite camera, PhotoShare Kiosk, and Green Screen as noted above, we also offer coverage photography for your booth. Contact us today for a quote!
