CENTERPLATE'S COMMITMENT TO QUALITY

Our meticulous quality assurance programs ensure we have the right systems and people in place to deliver the outstanding results our hosts seek.

We are very supportive of offering healthy choices at events by providing a wealth of fresh, customizable and varied options that include low calorie, low-salt, low-fat, low-sugar, vegan and gluten-free offerings, among others. Fresh fruit and vegetables, meatless entrees marketed to the mainstream and light options are all very popular among our attendees.

Our catering menus include fresh fruit platters, fresh vegetable crudité, grilled vegetable platters, customizable salads, fresh fish, grilled chicken, farm fresh vegetables, whole grain side selections, hummus and carved-to-order roasted turkey and lean meats.

Our culinary staff is available to assist event planners throughout their planning process to design menus that are appealing, affordable and in keeping with their wishes. We solicit event organizers to determine the best selections and special options for their guests.

We have a wide variety of beverages, snacks and main course options at every meal as well as retail and grab-and-go. Lean proteins and whole grains are available, as are water and unsweetened beverages. Many of our event services include Chef-attended action stations where guests may assemble their own ingredients for preparation, having control over what and how much goes into a dish.

We look forward to serving you!
