Exhibitor Services Manual

Your Exhibitor Services Manual (ESM) contains all the necessary documentation needed to execute your experience at the Show. The ESM contains the forms, rules, guidelines, deadlines, and information for all your show services.

Important notes regarding the documents within the ESM:

Material Handling

Your onsite material handling is included in your booth fee up to 3,000 pounds per item. This means you will not get a large bill for moving your freight from dock to booth, storing your empties, returning them, and bringing them back to the dock for outbound shipping. There are a few exceptions such as late shipments, heavy machinery, etc., but follow the guidelines and your material handling is on the house!

Shipping

You are responsible for shipping to the show and arranging return transportation. We **HIGHLY** encourage you to ship to the advance warehouse, with delivery no later than August 26 **(PLEASE NOTE: The office and warehouse will be closed on August 5, 2019 in observance of the Civic Holiday)**. This will provide you a much smoother set-up day as your booth materials will be in your booth when you arrive. Freeman does provide Exhibit Transportation Services, for pricing please visit Freeman Online.

Customs

Your shipment can be addressed directly to Freeman's bonded warehouse without the delay and inconvenience of customs clearance at the border crossings or international airports. Upon arrival in the warehouse, they then proceed with the important process of clearing your goods with Canada Customs. All these services can be arranged with one simple phone call or if you have any questions regarding Customs, please call 1-877-478-1113.

Voyage Control

The MTCC has introduced a free, fast track reservation system for booking a guaranteed Loading Dock time. We hope that you choose to take advantage of this new system to improve your Move-In experience for MJBizCon INT'L.

Registration opens August 19th. You will not be able to book before this date. Please keep an eye out for an email with instructions from Molly McElwain.

Carpet

Standard carpeting is provided for your booth at no charge. If you would like a different color carpet or padding under the provided carpet, order through Freeman Online.

Cleaning & Trash

Your booth will be vacuumed, and trashcan emptied at no charge on at the end of set up on Wednesday from 2:00 – 5:00 p.m. before the show opens. If you would like daily vacuuming and trash removal, please order through MTCC. Trash will only be removed if trash and cleaning are arranged.

Lead Retrieval

You must order by **Wednesday, August 21**. Show Code: MJINTL19

Electrical

Your booth package does **NOT** include electrical. If you need this service, please complete order online through MTCC/Showtech.

Insurance

Per your sales agreement, you are required to carry Commercial General Liability Insurance with limits of at least \$1,000,000 per occurrence, \$2,000,000 aggregate, for the event. Failure to secure or provide the insurance does not limit the extent of your liability. If you do not have General Liability Insurance or your underwriter will not provide this to you, you can order a low cost temporary event policy through PAL Insurance.

You will need to name the following as additional insured prior to the event:
Anne Holland Ventures Inc. dba Marijuana Business Conference & Expo
2750 S. Wadsworth Blvd. Ste D-200
Denver, CO 80227

222 Bremner Blvd **-and-**
Toronto, ON M5V 3L9, Canada Toronto Convention Centre

***Proof of insurance must be sent to events@mjbizdaily.com no later than Thursday, July 11.**

EXHIBIT TRANSPORTATION AND CUSTOMS

As part of the Freeman service and to make your shipping and transportation experience as seamless as possible, Freeman Exhibit Transportation has been appointed as the official carrier and customs clearance service provider for the **MJBizConInt'l 2019**.

Our Exhibit Transportation Department is available at our toll free number at 1-877-478-1113 should you wish to contact us regarding your shipping and or customs requirements

AS A REMINDER

All shipments originating outside Canada will require Canada Customs Clearance and U.S. Customs / Homeland Security (if applicable) on the return.

SMALL PACKAGES/BOXES DELIVERIES (Including Portable Display Cases)

Toronto is an international destination and, as such, duties, taxes and customs clearance fees applies. If you are shipping Air or Ground with the following small packages companies, Fed-ex, UPS, Airborne, DHL, or any other small package/boxes carriers please confirm that all ancillary charges(duties, taxes & Customs clearance fees) are PREPAID. This includes 3rd Party Shippers (ie:Fullfillment Centres, etc.). Any shipments that are sent collect will not be accepted by Freeman and they will be refused.

In some instances, carriers do not declare ancillary collect charges upon delivery to our warehouse and Freeman is billed 30-90 days after the event has closed. In these situations, any charges (duties, taxes & Customs clearance fees) are re-billed to the corresponding exhibitors plus "Advancement Fees".

LABOUR INFORMATION

Union Labour may be required for your exhibit installation and dismantle. Please carefully read the LABOUR JURISDICTIONS to determine your needs. Exhibitors supervising labour need to pick up and release their labour at the Service Desk. Refer to the order form under Display Labour for Straight Time, Overtime and Double-Time hours.

HELPFUL HINTS

SAVE MONEY

Order early to take advantage of advance order discount rates, place your order by early deadline order date: **August 13, 2019.**

AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for you booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure that the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC's). Thank you for your cooperation

WE APPRECIATE YOUR BUSINESS!

REDUCING YOUR FOOTPRINT

Freeman actively engages in green practices within day-to-day operations and is committed to producing events in the most environmentally friendly way possible. Freeman has collaborated with a number of customers to make their events greener and is dedicated to broadening this effort.

Green Tips for Exhibitors

Interested in going Green and saving money with your exhibit booth? Follow these tips to assist you in making your sustainable booth strategies at least cost-neutral, and possibly cost-saving!

Supplies and Ordering

- Order exhibit supplies early and utilize online ordering systems to eliminate paper waste.
- Consider renting a booth from Freeman or buying materials locally, preventing shipping cost and lowering emissions.
- Rent Freeman Classic Carpet which contains recycled content and is also recyclable.
- Provide giveaways made of recycled, responsibly grown natural fiber, nontoxic and biodegradable materials. Ensure giveaways are useful, not merely promotional in nature. Electronic Giveaways are smart and trendy, like a USB storage drive with your content already loaded.

Printing, Recycling and Waste Management

- Encourage less printing and provide more information digitally when it comes to booth literature, fulfilling requests via email and website referrals.
- If you need to print, use a local printer in the city where the show will be held and choose paper that contains at least 50% post-consumer recycled content.
- Ask Freeman about new paper-based signage materials that are comparably priced to plastic. There are good alternatives to foam core and PVC which are not as easily recyclable.
- Participate in the exhibit donation program by providing materials that are eligible for donation to local charities, such as pens, bags and notepads.

Shipping and Transportation

- If you must ship materials, planning out your booth in a timely way to meet shipping deadlines can also help maximize consolidation and cost-savings.
- Choose a SmartWay™-certified hauler at no additional cost to ensure your transportation company is practicing sustainable shipping.
- Set a goal to leave no trace behind by shipping out all booth properties and packing materials and donating extra giveaways thereby minimizing any waste for the show.
- If you are attending another trade show that many of your fellow exhibitors are also participating in, ask your General Service Contractor or Show Management to set up a caravan service to save on fuel emissions—and cost of transportation.

Personnel and Best Practices

- Take advantage of local or regional representatives to staff your booth, rather than bringing staff from far away offices, reducing travel cost.
- Bring Green as part of your company message providing recycling bins in your booth and information on what you have done to exhibit in a sustainable way.

These steps can help as we all strive to make smarter and more environmentally sound decisions. For more information on the Freeman Sustainability Initiative, contact goinggreen@freemanco.com.
