Dear Exhibitors,

The [Freeman services](#) discount deadline is today, and the [Convention Centre & Showtech](#) discount deadline is next Monday. If you haven't ordered your booth furniture, electricity, wifi, etc. be sure to place your orders today to get the best price! While you are purchasing services, furniture or graphics, review our exhibit rules and restrictions. Inline and island booths each have their own restrictions; for [inline booths click here](#), for [island booths click here](#).

Voyage is a service the Convention Centre provides that will allow you to schedule your material deliveries. If you are shipping to the Advanced Warehouse, you will not need to schedule your delivery. However, if you are having your items delivered to the Convention Centre on Tuesday or Wednesday, [schedule your move in time using Voyage](#). This opens on August 19th, next Monday. Also, if you are delivering your items directly, there is an update to the Marshalling Yard map. [Here is the detour map](#).

Please note, the Toronto International Film Festival is happening during the same time, so hotel rooms are becoming scarce! Tomorrow is the last day to get the lowest hotel rates, book today to save. [See hotel options, prices and book here!](#)
