CART SERVICE

FREEMAN will provide Cart Service for your event. **CART SERVICE** is a feature for Privately Owned Vehicles (POVs) that meet the requirements below.

DEFINITION OF PRIVATELY OWNED VEHICLE:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart will assist Exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. For safety reasons, it will be the judgment of the Freight supervisor if the load can go higher than 3 feet. Cart Service includes storage of cardboard/product boxes at no additional charge. Empty stickers for your cartons and cases will be provided for this service.

RATES:

This service is provided at no charge if received during dates and times listed below.

DIRECTIONS:

- To receive this service, proceed directly to the Las Vegas Convention Center and check in at the designated POV Check-In area (see map). There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- The determination of Cart Service versus Material Handling will be made at the discretion of Freeman management. Any disputes will be handled at the time of unloading.

AVAILABILITY:

Please proceed to the POV Check-In area (see map) for staging, checking in, processing paperwork and determining if vehicles are qualified for Cart Service. **Please note:** We anticipate that during peak periods, wait time can exceed 2-3 hours. Cart Service will be available on the following dates and times:
