

Associations Day Application

Associations Day brings together those working to ensure positive outcomes in communities and to propel the cannabis industry forward throughout North America and around the world. MJ BizCon 2021 would not be complete without the presence of the well-respected and passionate associations who continuously drive progress for the cannabis industry.

Here are the requirements to participate in Associations Day:

- Be an active non-profit industry association in the cannabis space
- Be able to provide proof of memberships and board of directors
- Cannot be hosting a party during expo floor hours
