Dear Exhibitor,

The summer is flying by, can you believe its almost August? Now is the time to plan your booth set up and book your [Hotel](#) at MJBizCon. [Click Here](#) to Access the Exhibitor Resource Center.

We are officially opening the North Hall of the Las Vegas Convention Center for MJBizCon! If you are interested in adding a booth in North Hall contact your sales rep, we will be opening North Hall to all new exhibitors starting Tuesday.

As many of you know, material costs and shipping delays have been an issue over the past several months and this could affect your experience at MJBizCon. If you plan on having a custom booth designed for the show, we highly encourage you to start the conversation with Freeman or your EAC now. Rising costs of lumber, plastics, and fuel could influence the cost of your booth. Shipping and transportation delays could also have an effect on the timeliness of your shipments arriving in Las Vegas. Please plan well in advance to ensure a smooth MJBizCon 2021! NOTE: Rates listed in the ESM are not affected. Is your company invested in activities around diversity and inclusion? If so, we have sponsorships available for the Achieving Equity in Cannabis Reception and Empowering Women in Cannabis Reception. [Both events are outlined on our site, please see details here.](#)

Scammers are still actively trying to sell you fake attendee lists or get you to book your hotel with them. As a reminder MJBizCon never sells or distributes attendee lists and our only hotel vendor is OnPeak. If a scammer reaches out to you please send them to me. We will issue a cease-and-desist letter.

Recently signed into law, Senate Bill 49 formally designates Delta-7, Delta-8, Delta-10 and any other structural, optical, or geometric isomers of Delta-9 as THC which is a Schedule I controlled substance under the State's Administrative Code. These substances are not allowed in the Las Vegas Convention Center.

Please let me know if you have any questions!

Thank you,

Molly
