# SmartFabric Packages

SmartFabric is a triple-layered fabric made of 100% polyester that's ideal for printed graphics. It's an extremely versatile all-in-one fabric and has been treated to meet NFPA 701 small-scale flammability standards. This lightweight material provides an easy way to make a big impact and has a small shipping footprint to reduce your shipping cost and carbon emissions.

## RENTAL EXHIBITS INCLUDE

- Custom Fabric graphic\* with zippered carrying case (fabric graphic purchased to keep)
- Rental Frame, a 100% recyclable structure
- 10'x10' or 10'x20' Classic Carpet (color selections on page 3)
- Exhibit Installation & Dismantle
- Exhibit Material Handling
- Nightly Vacuuming
- 3 Arm Lights per 10' Booth
- 6 Arm Lights per 20' Booth
- Power for lights only
