Key Contacts: If you are receiving this email, you are the **only** person authorized to make changes to your company's staff registrations while they are on-site. Be sure to make any adjustments (name changes, etc) *before* arriving on-site. If changes must be made on-site, you will need to come to the Exhibitor Registration area to authorize those changes. If that is not possible, please email sales@mjbiz.com with your on-site Key Contact who will be authorized to make changes on your company's behalf. The sooner these changes are made, the better.

Badge Pick-Up: If you have no changes to be made to your registrations, then you and your team can pick up your badge from any registration area including the satellite badge pick-up areas at hotels. To save time, be sure everyone has uploaded their headshot to their badge before arriving. Anyone on your team can follow the link at the bottom of their confirmation email to upload a photo to their registration. **Please note:** Each individual will need to be present and show photo ID to pick up their own badge. You cannot pick up badges for others – no exceptions.

There is still time to promote your booth at MJBizCon! All you have to do is set up your personalized Feathr Promotion Dashboard. There you'll find emails, landing page, digital/social ads, signature cards, and more. If you haven't received your unique dashboard link, contact clientservices@feathr.co. P.S. Your customers can save 10% off MJBizCon with your company's unique exhibitor promo code, so sign up today!

Share you are going to #MJBizCon ... and you could win cash (for the slots)! 3 winners will be selected at random \$500, \$250, \$100 Visa Gift Cards.
