### Upload Your Photo

All MJBizCon registrants are required to have a photo on their badge. To save time when picking up your badge onsite, take a photo below or upload a photo prior to arrival. If you do not submit a photo in advance, you will NOT be able to access Express Registration and will be required to take a photo at Attendee Badge Pickup. **Simplify your badge pickup experience, upload in advance. If you don't submit a photo now, you can take or upload one later using the link provided in your registration confirmation.**

- JPG, PNG and GIF files only
- Maximum file size is 5MB

You can submit a new photo by using your webcam. If you do not see your image below, your computer may be blocking this website's access to your camera. You can grant your camera access to the website by clicking the camera icon to the right of the website address shown at the top of your screen. If you do not have a webcam or prefer to use an existing photo, you can upload it below.

Click the camera icon above to take a photo OR

To upload your own photo, click "Choose File", make your selection and click "Upload".

**Remember:**

- JPG, PNG and GIF files only
- Maximum file size is 5MB

No file chosen

Your photo should be recent (within the last 6 months) and display a frontal view with your face clearly visible. Avatars, Memoji or other digitally created images are not permitted. Show Management reserves the right to reject any uploaded photo and require the registrant to have their photo taken onsite prior to issuing a badge.

MJBizCon Registration Sponsored by:

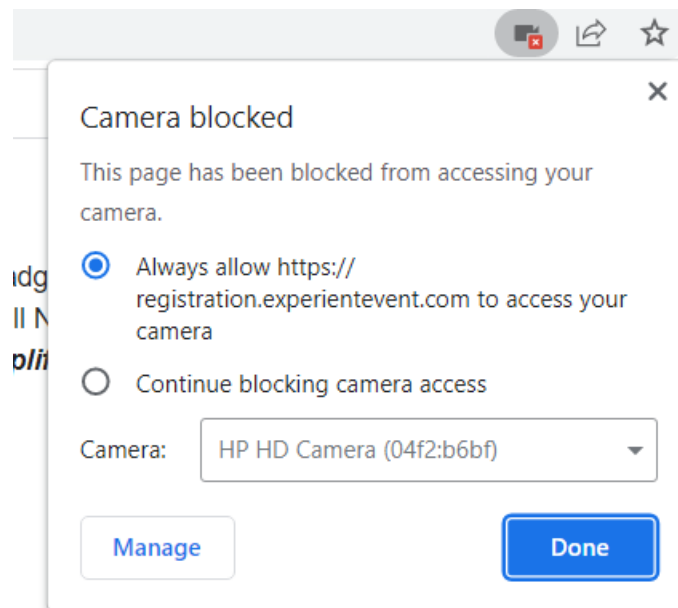

- When you click the link in the email, you may see a pop-up like this. If you do, click "Allow" if you want to use your webcam to take your picture for uploading. If you want to upload an existing picture, go to Step 8 below for further instructions.

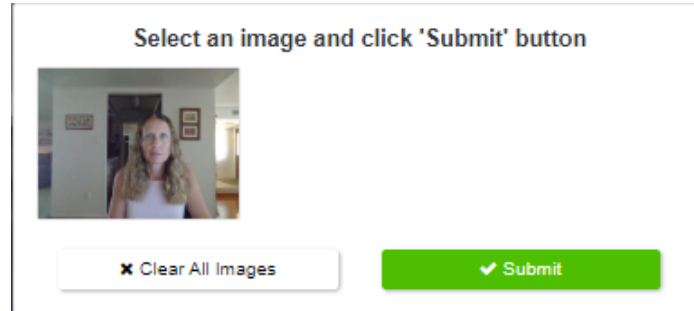

- To take a picture with your webcam, click the camera icon below the image.

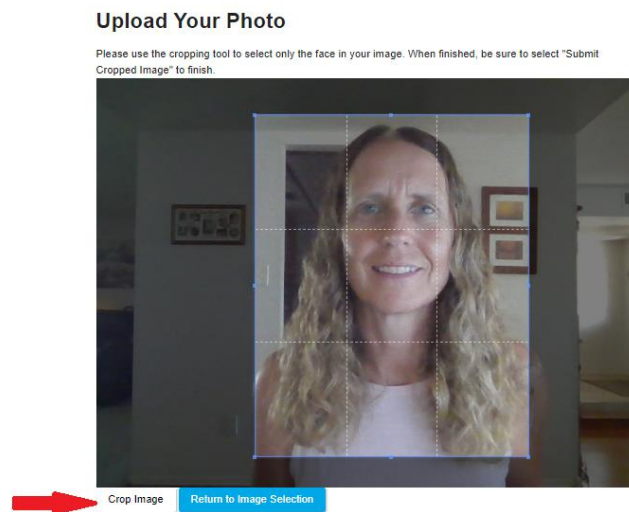

**Helpful Hint:** If you see a black box instead of your image, your camera may be blocked. Look for the small camera icon at the top right of the screen. Click it to open the options and allow the site to access your camera.

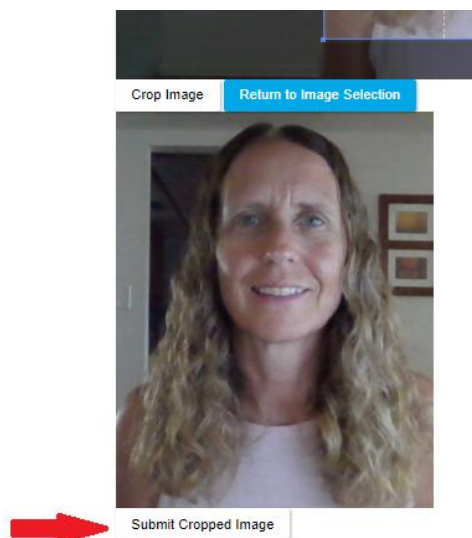

- Click on your picture to select it and then click "Submit"

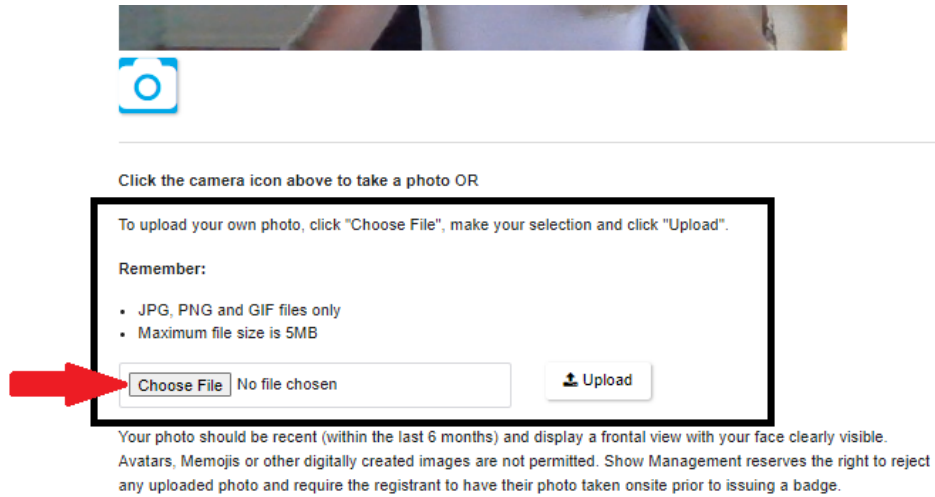

- Use the grid to crop your picture, then click the "Crop Image" button

- You will see the cropped image appear below the original image. If you are happy with the image, click the "Submit Cropped Image" button under the photo

7. You will be returned to the Review and Check Out page. Click “Next” and then “Sign Out” to complete the process.
8. If you prefer to upload an existing photo, click the “Choose File” button located below the camera icon.

9. Search for and select the photo you want to use, then click “Upload”
10. Follow steps 4 through 6 above to complete the process.
