Dear Exhibitor,

Exhibitor Appointed Contractor (EAC) Designation Process

MJBizCon recognizes that exhibitors may have unique needs or partnerships with vendors other than our official partners. Therefore, we support this choice as long as the EAC conforms to the show and venue Rules & Regulations and carries the required insurance coverage. **An Exhibitor Appointed Contractor (EAC) is a company or contractor hired by the exhibitor, who is not an employee of your company or of an official show contractor.** EAC's are most often independent installation & dismantle companies but also include supervisors, technicians, photographers, audiovisual, floral, furniture, flooring, and any other contractors who aren't the official contractors of the show but provide a necessary service at show site for the Exhibitor.

Step 1: Exhibitors must designate their EAC(s) ASAP

- [CLICK HERE](#) and select Confirm EAC to complete the EAC Designation Process

Step 2: EAC Completes the EAC Registration Process

· Once the online EAC Designation Process has been completed by the Exhibitor, the EAC will then receive an email with further instructions for submitting the required EAC documents.

Exhibitors are responsible for providing their EAC with any necessary information pertaining to the exhibit hall (i.e., utilities, order forms, dates, hours, shipping information, show Rules & Regulations, etc.)

Please let email us at MJBizCon@EACmgmt.com if you have any questions.
